Sorry to keep bugging you for things, but can I please get a copy of the invoice for the remaining \$50,000? There may be more things I need to ask for as the Board Report starts its circulation of staff – sorry in advance!!

Theresa,

We counted the number of riders but some days there was no count so we estimate the ridership to be around 20,000. Our stats only show 17K.

Hi -

Can I please get the map of the route you used this summer plus the rider numbers? And anything else you think I should include in the board report. THANKS!
